

## The Three Natural Laws: Life ★ Liberty ★ The Pursuit of Happiness

When it comes to the Constitution and our country, you are the first line of defense. As Principle #9 states: ***The government works for me. I do not answer to them, they answer to me.***

Our elected officials forget this at times, so it is up to us to remind those we sent to Washington and to our local offices that we expect them to represent OUR interests.

# The 9 Principles

*The 912 Project is designed to bring us all back to the place where we were the day after America was attacked on 9-11.*

On September 12th, (9-12) we didn't obsess with Red States, Blue States, or political parties. We united as Americans, and stood together to protect the values and principles of our great nation.

Our Founding Fathers built this country on 28 powerful principles that were selected from all over the world and from centuries of great thinkers. The original 28 have been condensed to 9 basic principles.

The 9-12 Project is a place for like-minded Americans looking for direction in taking back the control of our country. It is also a place to find information that will assist in navigating the rough waters we face in the days, weeks and months ahead.

**If you agree with 7 of 9, then we have something in common.**

**1** America Is Good.

**6** I have a right to life, liberty and the pursuit of happiness, but there is no guarantee of equal results.

**7** I work hard for what I have. I'll share it with who I want to. Government cannot force me to be charitable.

**8** It is not un-American to disagree with authority or to share my personal opinion.

**9** The government works for me. I do not answer to them, they answer to me.
